

FEEDBACK ANALYSIS REPORT

2022-23

Analysis on Curriculum Feedback

The college is keen on assessing the feedback on curriculum from its stakeholders namely employer/ management, alumni, students and teachers. After receiving the feedback in the structured format, the IQAC analyses them and analysis report is submitted to the staff council and the management.

Employer's Feedback on Curriculum

The IQAC collected feedback on curriculum from employer during the year 2022-23. After analyzing the feedback, the report was submitted to the college council. A graphical representation of feedback collected from members of the management committee for the year was also prepared. Feedback studies revealed that employer is satisfied with the curriculum. Some of the members of the management committee was concerned about the availability of instructional hours for the completion of the curriculum and on the employability. Since most of the students are from economically backward families, the employers were concerned about the employability of the students. A few members discussed about the possibility of including training in hard skills of the students.

Alumni Feedback on Curriculum

The alumni feedback will be collected annually on the annual alumni meet held on 1st May every year. Current year alumni feedback was collected online. The data collected has been analyzed and the results given below. Nearly 65 % of alumni commented that knowledge gained during study was very good. As per alumni feedback, the relation of curriculum to job was rated as good. More than 50 % of alumni are employed outside their field of study. Initiatives taken by the college to bridge the gap between industry & academia was rated as good. They suggested to have more value – added course in the respective programs so that the employability skills will be enhanced.

Students Feedback on Curriculum

The feedback on curriculum from students were obtained from all students after the end of each semester. Students opinion on syllabus are measured in a four- point scale (poor-0, average-1, Good-2, Very good-3, Excellent-4). For analysis, a random sample of feedback of 20 students from all the departments of the college selected with a proportional representation to each program. The data collected has been analyzed.

Teachers Feedback on Curriculum

Feedback from all the teachers are collected at the end of every semester and were analyzed by the IQAC. The teachers opinion on curriculum were expressed in the feedback. The IQAC submits the feedback to college council. Since this institution is an affiliated college, the suggestions from teachers were brought to the notice of university either through the BoS members or representations were given directly to the Registrar. The teachers also attend various curriculum revision workshops to address their issues regarding curriculum.
